+ Description

The SWS-GRIP3008 gloves with cotton lining, blue nitrile coating and canvas cuff offer excellent comfort and abrasion resistance. The 3/4 nitrile coating provides a good grip, its cotton lining with uncoated back allows for good ventilation. Its canvas cuff offers additional comfort and protection. This glove is certified for mechanical risks EN388:2016 + A1:2018.

+ Activity Sectors

General Use

Transport

Construction

Industrial Maintenance

Agriculture and Gardening

Automotive

Oil and Gas

Machinery and Equipment

+ Maintenance

Check the product before, during and after use, if you see any damage, the product must be replaced. Store the product in a ventilated, cool, dry place away from direct sunlight. Gloves must not be washed. When washed they can lose their integrity, thus reducing their properties and their lifetime.
