Description

The SWS-HV1402 high-visibility vest is designed to help make the wearer visible, both during the day and at night when illuminated by any light source. It features four reflective strips, a zip fastening and several functional pockets, including an ID card pocket, a pen pocket with a D-ring, a compartment for a smartphone or tools, and two waist pockets with flaps and Velcro fastenings. Designed for use on public roads and in situations of poor visibility or danger.
