## + Description

The SWS-LT4003 gloves are ideal for a wide range of activities. Their split leather composition provides high resistance and thanks to the quality of the materials they are made of, these gloves offer high dexterity and an ergonomic design to reduce hand fatigue. These gloves are certified for mechanical risks, standard EN388:2016+A1:2018.

GAMA LEATHER

**+ Maintenance**

Check the product before, during and after use, if you see any damage, the product must be replaced. Store the product in a ventilated, cool, dry place away from direct sunlight. Gloves must not be washed. When washed they can lose their integrity, thus reducing their properties and their lifetime.

**+ Pictogram Explanation**

EN388 certified gloves

Gloves with slip resistance

Gloves made of leather

Abrasion resistant gloves
